## Executive Villa

When only the best will do

Tucked away inconspicuously in this renowned over 50s village, this has to be one of the best houses in this secure and gated community. Instantly the difference is noticeable, just by looking at the unique exterior style and finish. Having been completely renovated not long ago, this home is finished with nothing more to do.

An outdoor deck which wraps around most of the house ensures you will have an abundance of outdoor space to entertain and relax. There is a fully fenced yard which is pet friendly and includes flower beds, a vegie patch and well manicured lawn. Being also elevated, a constant cool summer breeze runs through the surrounds and into the house. In winter, you can still utilise the outdoors and follow the sun all the while being sheltered by the cold westerlies.

Featuring two good sized bedrooms complete with built in robes and more than ample storage, a modern kitchen and bathroom. A utility room that can be transformed into a study or additional living space. a bright and comfortable disposition. There is a generous carport with storage, two toilets and a separate washing line area.
