Even though the house is a stand out property in its own right, the location really is something special too. A few minutes walk to the licensed surf club and buzzing cafe scene on the Esplanade means everything you could want is right there. Throw in Friday night markets, bus stop at your door and the sound of the surf crashing onto the shore at night and you have the ultimate beachside lifestyle. Whether it's for you or your guests there is something for everyone here.
