The easy choice

A comfortable home in a central location just makes sense. In this case you can add the benefits of low maintenance, peace and privacy too. Established gardens and in-ground swimming pool complete the picture of a property you'll be glad to call home.

3 bedrooms plus purpose-built study/media room means space for family/guests and your home office. Air-conditioned open living connects to covered poolside pergola, and updates to interior paint, appliances and decore leaves nothing to do but move in and start your new life. Internal 2 x garage has (remote electric door opener) and gated side access for your boat or caravan. Features like energy efficient lighting, grid connected solar power and gas stove/hot water keep energy bills to a minimum.

Mature Sunshine Coast native plants provide a green outlook from almost every window, and just 2 doors down from the park means plenty of play area for family and pets. Two streets from village centre. Just 10 minutes walk to school, Coles, medical services and local cafes/tavern. Mudjimba Beach is also nearby and only a short drive to Maroochydore's rapidly evolving CBD.

There's plenty to like about life here. Time to come see for yourself what your next
